Quorum of the Meeting

The Quorum of the meeting was maintained.

Chairman's Introduction

The Chairman briefly updated about current hostel facility of NIPER-Hajipur and requirement of new hostel facility and commercial lab to be set up inside the campus. He also stressed the need of boundary wall construction and main gate for safety and security of the campus.

Agenda:

1. Renovation of SDF Building for creation of hostel and Commercial Lab

Resolution: Approved. The budget with a cost of ~ 2.03 crore and design as received from EPIL, Government of India is also approved.

Committee also agrees that the work should be taken on priority basis since it will cut the huge cost of hostel rent per month. Also the commercial laboratory will be set up within a time line manner to facilitate the academic development of Institute.

2. Construction of NIPER-Hajipur campus Boundary Wall with Main Gate

Resolution: Approved. The estimated budget of ~1.23 crore with design as received from EPIL, Government of India is also approved.

3. Status of Animal House, Renovation of Dispensary Building (Girls Hostel)

Resolutions: CPWD Patna had assured that the remaining work of dispensary building will be completed within 4-7 days and then it will be handed over.

Animal house work completed and handed over.

4. Appointment of project management consultant (PMC) for campus and infrastructure development

Resolution – As per GFR 2017, rule 194(i)(ii)(iv), the appointment of PMC is approved.
